

MIMI'S
GUATEMALA

Mimi's House 1

Alex

- 5 months old.
- He was abandoned at the door of a church when he was 3 days old.

Kendra

- 8 months old.
- Kendra was abandoned at a house where her mother was working as a cleaning lady.

Sophia

- 20 months old.
- She was abandoned at the hospital where she was born. Now, she is waiting for a new family to adopt her.

Angel

- 18 months old.
- He was abandoned at the hospital where he was born. At 6 months old he started with convulsions and was diagnosed with epilepsy. Now, he visits the neurologist monthly.

Dylan

- 3 years old.
- He was rescued due to negligence in the home when he was 1 month old. He was later sent to an orphanage near the border of Mexico. In August of 2020, the orphanage closed, and they transferred him to Mimi's House 1.

Mimi's House 2

Nohemy

- 4 years old.
- She was rescued due to negligence in the home. Her parents passed away due to COVID-19 and an aunt applied to be her family resource. Later, her aunt had an accident. Nohemy had to return to the orphanage again because her aunt is still in the hospital.

The Triplets

Saul

Eyra

- 3 years old.
- They were rescued by the hospital, due to negligence in the home when they were 5 months old. The triplets had whooping cough when they came to the orphanage and had severe malnutrition. Now, they are healthy and waiting for a new family to adopt them.

Vanessa

Diego and Jose

- Diego 3 years old
- Jose 2 years old
- Their mother went away and left the kids with their grandfather. The grandfather is so sick and can't work to support them. Members of the family decided to help the grandfather by delivering the kids to the court.

Breidy

- 4 years old.
- She was rescued due to negligence and physical abuse from her parents.

Evolet and Cristel

- Evolet 8 years old.
- Cristel 6 years old.
- They were rescued due to negligence and physical abuse from their parents.

Selena

- 4 years old.
- She was rescued due to negligence and physical abuse. The orphanage was able to pay for her surgery to correct her eye vision. Also, the orphanage was able to obtain dental treatment for 80% of her teeth.

Anyeli

- 6 years old.
- She was abandoned by her mother at a park.
