PiM Celebrates 25 Years of Ministry

Celebrate with Us...

Celebrate with Us...

Your partnership with PiM enabled us to minister in six different
countries (Ecuador, Peru, Brazil, Panama, Guatemala, U.S.)
since 1997. We traveled on 78 mission trips taking 505 people.
Over 1,385 church leaders from 13 different countries have
attended our training conferences. We helped build 18 churches,
two pastor houses, one Christian daycare, one Christian school,
five widow houses, one seminary building, one orphanage, and
one Christian radio station. We gave support to three orphanages
and spoke in 80 Mission Conventions raising about \$2.4 million
for cross-cultural ministry. Since the birth of PiM, we have
worked with the Indigenous Peoples as the U.S. Navajo, Alaskan
Native Church, Quechuas of Ecuador, Panama Kunas and the
Mayans of Guatemala. Our focus was and continues to be upon
the Indigenous Peoples, especially in the area of Leadership
Training so they will become self-governing, self-propagating
and self-reliant.

The year 2021 was an exceptional one. We had the largest
attendance in our August church leader conferences in
Guatemala (135 from nine countries). To make our ministry
more effective, larger and on-going, we added Otto Lopez as
Guatemalan Director and Zonia Mitchell in Promotion and
Development. Everything is in place to ensure that PiM’s
ministry can continue another 25 years.

Celebrate with us!!! You are an important and necessary
member of our team. Without your prayers and donations, we
could not have finished the first year of 1997 and continued to
make disciples of all peoples. You can help us raise funds for
this year 2022 by sharing this link with your friends:

Thanks for 25 years of partnership,
The PiM Team

PiM Video

We have a new 2½ minute video that gives an overview of our ministry. It would be useful in your church as a promotion of your mission outreach.

Contact Karvin if you are interested in a copy.

Jane Neer has served on PiM’s Board since Nov.’97 as secretary, V.P. and Brazil Director. Special thanks for your ministry to the Lord and PiM. Well done good and faithful servant, may the Lord richly bless you.

Report from Otto (PiM Guatemala Director) October 20, 2021

1. Vision trip to Quebradas Secas, a native Quechchi village with about 30 families. There are no churches in the area but Pastor Juan Cho is planting one (pictures above). Otto did not make this trip, but two of our church leaders, Gudiel and Edgar did.
2. Otto planted a church in Pavon Prison 13 years ago. He shared the gospel to Miguelito who was imprisoned for murder and extortion as a former leader of hitmen. Miguel later became the pastor of the prison church plant. He served his time, is now a free man and he is planting a church in the Huehuetenango area with zero resources. Miguel attended our pastor conferences last year.
3. Otto visited a ministry that is led by his friend Taty. She serves the Lord full-time along with her parents ministering to homeless people. They planted a "Church of the Streets" just a few blocks away from the city's largest dump. They serve people who deal with drug abuse, most commonly marijuana and solvents. This street church is located in a 'Red Zone' which means this region is among the most dangerous and poor in the country. They also gave clothing and food during his visit.
